1. An additional oil pipeline from the harbor to the warehouse has been completed at Burgas. Since the beginning of September 1954 two pipelines have been in use, making possible the unloading of two tankers simultaneously.
2. Construction of a large plant at Burgas was being carried out in December 1954 under the supervision of three Hungarian experts. The equipment was brought from Hungary. This plant will comprise the following:
  - a. Cold storage installations and other storage facilities, which will serve the civilian population as well as the military;
  - b. An ice factory;
  - c. A sausage factory;
  - d. A slaughterhouse; and
  - e. Sheds for 150 cows and 500 head of sheep.
